

**SulNOx Group Plc (the “Company” or “SulNOx”)**  
**Directorate Change**

(Aquis Stock Exchange: SNOX)

**28 May 2020**

The Company announces the resignation of Stephen Bamford as a Director as part of his plan for retirement.

Stephen joined SulNOx in late 2013 shortly after it was formed to commercialise an emulsifier technology which was being acquired from the inventor. With his investor connections and long business experience, Stephen was central to the development of the business which culminated with the Company’s listing on the Aquis Stock Exchange in December 2019.

**Graham Lyon, Chairman, commented:**

*“With his valuable leadership during SulNOx’s history, Stephen is retiring having helped to secure the Company’s recent funding before and following our Aquis Stock Exchange listing in December.*

*“We are grateful for his insightful input during the Patent application process and the negotiations with some of the Company’s key stakeholders over past years. All of this positions us strongly to advance into sales of our unique fuel conditioning and emulsifier products.*

*“He will be missed and we wish him well with his retirement following 50 successful years in business”*

**Enquiries:**

<b>Nicholas Nelson, Chief Executive</b>	sulnox@flagstaffcomms.com
<b>Media and Investors:</b> <b>Flagstaff, Strategic and Investor Communications</b>	sulnox@flagstaffcomms.com
Aquis Stock Exchange Corporate Adviser: <b>Alexander David Securities Limited</b> David Scott - Corporate Finance, James Dewhurst - Corporate Broking	+44 (0) 20 7448 9820

The directors take responsibility for this announcement.

**About SulNOx Group Plc**

SulNOx, [www.sulnoxgroup.com](http://www.sulnoxgroup.com), has developed a hydrocarbon fuels conditioning and emulsifying process which enables more efficient fuel combustion, potentially leading to reduced fuel consumption and significantly lowered emissions.
